THE MIDDLEBURY CAMPUS

VOL. XI. THE MIDDLEBURY CAMPUS, WEDNESDAY, MAY 12, 1915. No. 6.

OPENS JUNIOR WEEK WITH VICTORY.

McLaughlin Holds New Hampshire State to Two Hits. Middlebury Never in Danger.

Junior Week opened with a Rush and Bang when New Hampshire State went down before the Middlebury boys on Porter Athletic Field Thursday afternoon.

A goodly crowd was present to witness the battle which, it was anticipated, was to be a close contest. However, those who had taken this view point had not reckoned on Bill McLaughlin, who came into his own again in his old time form. "Bill" allowed but two hits in the game, using his "spitter" with good control throughout the entire contest, and figured in fourteen out of twenty-seven put outs.

The New Hampshire team put up a good fight but were outplayed and outbatted by Middlebury. Features of the game were the batting of Haskins and Bartlett, the latter getting three bags in the second, scoring Dewhirst.

MIDDLEBURY DOWNS ST. LAWRENCE.

Middlebury Track Team Victorious Over St. Lawrence in Fast Track Meet in which Three College Records were Broken. Points were: Midd. 71 1-2, St. Lawrence 45 1-2.

Most of the time in a driving rain, a full grandstand of track fans watched St. Lawrence go down before the fierce onslaught of the Middlebury men in the fastest meet ever held in Middlebury; a meet in which three college records were broken. New records were established in the hammer throw by Condit, '16, in the mile run by Jones, '15, and in the high hurdles by Lee, '17. Condit also made a record throw with the hammer of 129 feet 11 inches, but disqualified by stepping out of the ring.

The mile run was one of the pretty events of the meet. It was anybody's race until the third lap, when Jones began to lengthen his stride, taking the lead and in the last lap increasing his lead until he had a clear field. At the 220 mark he began his sprint, crossing the line far in advance of the other contestants and in good condition.

The two mile was also an interesting event. Mitchell of Middlebury started out in the first lap doing the pacing, Foster and Ferguson following, with Hoffay and Lamere bringing up the rear. Positions same in second. On the back stretch of the third lap the two St. Lawrence men moved into first and second places, but Hoffay took the lead on the home stretch. At start of the fourth lap, Lamere began to quicken his pace and soon passed Mitchell. With Ferguson and Foster, they soon opened up a commanding lead on the two Middlebury men. The positions remained the same throughout the fifth lap.

In the sixth and seventh laps Lamere opened up a ten-yard lead. At the firing of the gun for the last lap, Lamere started out at a fast clip and quickly left the rest of the field behind. Ferguson managed to stick until on the back stretch where he soon tired out. Lamere then began his sprint and finished with a wonderful burst of speed, fully one hundred yards ahead of Ferguson and Foster of St. Lawrence, who finished second and third respectively.

It was with considerable surprise to the spectators that the timers announced after considerable debate that the time was 11 minutes, 23 3-5 seconds.

Dade and Lee of Middlebury carried off the high and low hurdles in nice shape, but Crayton of St. Lawrence had his own way with the dashes.

Lee was the individual point getter for Midd., bringing in three firsts and tying with Short of St. Lawrence for another first in the pole vault.

Drew, '18, worked hard for Middlebury and looked like a coming track man. Hollister also did well. Day and Condit controlled the weight events. The discus throw, in which Brewster, '18, would have been a sure winner, was omitted at St. Lawence's request.

After the meet, Dr. Thomas presented the winning team with a large cup, the trophy offered by the Athletic association.

Points at the end of the meet were: Middlebury. 71 1-2; St. Lawrence, 45 1-2.

SHUTS OUT NORWICH.

Middlebury Shuts Out Norwich in a Fast Game on Porter Field. Zeb Pitches Good Game.

Norwich and Middlebury met again on Saturday last at the Porter Athletic Field in a fast game in whlch Middlebury shut out the visitors and scored three runs for herself. The largest crowd of the season was present to witness the game, filling the grandstand to overflowing.

The Norwich men put up a fine game, making fewer errors than Middlebury, but were unable to hit "Zeb" Alyward's "spitters" to any advantage. "Zeb" pitched a fine game, striking out thirteen and allowing but four hits. Ogsten allowed eight hits and struck out four. "Zeb" passed two in the first inning, but as soon as he got well warmed, had the Norwich men at his mercy. "Zeb" also got a fine triple in the sixth inning into deep right field. Bishop and Haskins both played nice games behind the bat, holding the men well on bases.

The game by innings:

First Inning. Norwich. Keefe received base on balls. Anderson out, grounder to Loder, Keefe advancing to second. Aylward threw wild over second in an attempt to catch Keefe off second, advancing him to third base. Bishop got base on balls, stealing second. Rodgers struck out. Ben Lamere out, Dewhirst to Loder.

Middlebury. Bartlett out, Ogsten to Rodgers. Bresnahan struck out. Joe Lamere out, Jacobs to Rodgers.

Second Inning. Norwich. Sleeper flied to Jones. Adams out, Dewhirst to Loder. Jacobs hit to Loder, who threw to Jones covering bag, Jones dropping the ball. Ogsden struck out.

Middlebury. Haskins hit safely over third base, but thrown out trying to stretch it into a double, Jacobs to Anderson. "Zeb" out, Jacobs to Rodgers. Robinson hit safely to left field. Jones flied out to Keefe.

Third Inning. Norwich. Keefe flied to Dewhirst. Anderson and Bishop struck out.

Middlebury. Dewhirst hit safely over first base. Loder sacrificed, Ogsten to Rodgers. Bartlett flied to Adams, Dewhirst making third base on the catch. Bresnahan out, Ogsden to Rodgers.

Fourth Inning. Norwich. Rodgers out, Aylward to Loder. Ben Lamere struck out and Sleeper flied to Joe Lamere.

Middlebury. Joe Lamere and Haskins passed, "Zeb" bunted, filling the bases. "Robby" hit to right field, Joe and Haskins scoring and "Zeb" reaching second base. Jones sacrificed, Ogsten to Rodgers, Aylward moving up one base. Dewhirst struck out. Alyward scored on wild pitch and "Robby" reached third. Loder out, Ogsten to Rodgers.

DEAN THROOP RESIGNS.

Dean of Women Resigns After Two Years of Success.

Miss Suzanne E. Throop has resigned as Dean of Women of Middlebury College and Miss Eleanor S. Ross of the Public High School of Boise, Idaho has been appointed to the position.

Miss Ross is a graduate of Middlebury College of the class of 1895. She is the daughter of Warren E. and Ida Robbins Ross of Rutland and prepared for college in that city. After graduation she taught five years in Pennsylvania and in 1901 she accepted a position in the Rutland High school, where she taught with marked success until three years ago.

In 1912 Miss Ross accepted a position in the Boise Idaho, Public High School. Of her work there Supt. Charles S. Meek writes:—"She is one of the best teachers I have ever had. She looks after the lives of her students more effectively than any other one of the forty teachers in the high school. I have never known a woman so admirably fitted for the difficult duties that must necessarily be performed by a Dean of Women."

Miss Ross will come to Middlebury College with ripe experience as a teacher, and also with intimate knowledge of Middlebury College and its student customs and traditions. She is a woman of tact, energy and enthusiasm, in full sympathy with the work which Middlebury College is seeking to accomplish for young women. She will be the first graduate of the college to hold the position of Dean of Women. Miss Ross was a member of Alpha Chi and of Phi Beta Kappa.

Miss Throop will be in New York city next year. During her two years at Middlebury she has made many friends, both in the town and among the students. Her efforts in improving the dramatic work of the college organizations have been especially successful and her influence on the social life of the college has been marked. It is with regret that the student body learned of Miss Throop's resignation, but the good wishes of all will accompany her in her new field of work.

JUNIOR PLAY A SUCCESS.

Class Presents "The Magistrate" to Full House.

Not the least of the Junior Week successes this year was the production of "The Magistrate" by the junior class. The play was presented in the McCullough gymnasium on Saturday evening before a large and appreciative audience. Full of ludicrous situations and clever witticisms the play proved itself to be one of the most interesting junior class productions which the college has experienced, and a great deal of credit is due Dean Throop, whose untiring energy and ability showed itself in the work of the caste. The caste included:—

Mr. Posket, Mr. Bullamy — Magistrates of the Mulbury Street Police court, Mr. Bullamy, Mr. Paulsen Mr. Posket, Mr. Robinson
Col. Lukyn, from Bengal, retired, Mr. Cowles

Junior "Prom."

A most enjoyable affair of Junior Week was the annual Junior Promenade held at McCullough gymnasium Friday evening, May 7th.

The hall was prettily decorated in the class colors, with gray and red streamers, and a profusion of young pines, the class numerals being displayed on a large square in the center of the hall.

The march was led by Joel J. Lamere, president of the class, and Miss Katherine Hobbs. Patrons and Patronessess included:—President and Mrs. John M. Thomas, Mr. and Mrs. John A. Fletcher, Miss Suzanne Throop. Prof. and Mrs. William McGilton and Prof. and Mrs. John A. Morgan. Supper was served at intermission to about sixty-five couples.

P. H. Condit acted as chairman of the "Prom" committee which included as well Mr. Fish, Mr. Parker, Mr. Wright, Miss Arnold, Miss Hobbs, Miss Lee, and Mr. Lamere. Music was furnished by Wilson of Rutland. Connolly catered.

FIRE IN CHEMISTRY BUILDING.

Property to the Extent of Several Hundred Dollars Destroyed.

Early Saturday morning fire broke out in the new Chemistry building which, before it was discovered and checked, damaged the building and apparatus, and destroyed chemicals to the value of several hundred dollars.

Thomas, '16, who was in his room in Painter Hall, discovered the fire and at once telephoned Hamlin Commons for the assistance of the students then at breakfast.

On their arriving the fire was seen to be located in the stock room on the fourth floor where a portion of the chemicals and apparatus is kept. Two lines of hose were run up to the room, but entrance was made with difficulty as the door was strongly made and resisted all efforts to break it down. Finally Bicknell, '16, and Davis, '17, were able to force the panels, but when they attempted to enter they were overcome with smoke and gases issuing from the room. Because of these gases well-organized work was impossible and the students were forced to direct streams at random, while they awaited the arrival of the village fire department, which soon arrived on the scene, and by raising ladders to the windows entered at a less dangerous point and soon had the fire under control.

President Thomas and Professor McGilton were on the scene after the first alarm and directed the men in saving the chemical library, which otherwise would have been damaged.

How the fire started is not known, however, the only parts of the building seriously damaged were the stock room and Professor McGilton's laboratory. The laboratory for elementary chemistry was somewhat marred by water and smoke, and water also did some slight damage to the walls and ceilings of the rooms below. The fire-proof construction of the building assisted in the control of the fire. The building was insured.

Bicknell and Davis, the two men who were overcome, are fully recovered.

Dean Wright Returns.

Dean and Mrs. Charles B. Wright returned to Middlebury Saturday in time to enjoy the last of the Junior Week exercises. They have been away since February, spending most of the time in Florida. They visited St. Augustine, De Land, St. Petersburg, and other points, calling upon Prof. and Mrs. Skillings at Southern Pines, N. C., on the way. Recently they have been in Washington and New York.

SPORTING COLUMN.

The "real" clean-up week has been observed.

Lee was some little point-getter in the St. Lawrence meet.

Three records! Whew-w-w-!! Not to say anything of Condit's slug of 129-11.

Middlebury is to be congratulated on the number of fans who came out and stayed out at the meet in spite of the rain. That is the right spirit.

Although not a first prize winner, Drew, '18, ran well Friday and showed himself to be a runner. The boy will do something for Middlebury before he graduates.

Norwich lived up to her reputation of always putting up a good game against Middlebury at Middlebury.

Lamere vs. Lamere in the Norwich game. Joe's brother, "Big Ben" held down center field for Norwich. He also pitched for Norwich against N. H. State, holding N. H. to two runs in the 7 innings in which he pitched. We hope to see "Big Ben" a Middleburyite next year.

Bill pitched a wonderful game against N. H. State. Did you notice that he figured in 14 out of a possible 27 put-outs?

Bartlett seems to know how to handle the willow all right.

That was no slouch of a game that Zeb pitched against Norwich. Zebediah was right there with the wagon-tongue as well, if we remember rightly.

"Robby" is handling the stick well this year too.

When the fire broke out Saturday one of the waiters at the Commons ran all the way to the Chemistry building with an order of soft fried eggs carefully balanced in his hand, which he was about to serve when the alarm was sounded.

"Smoker."

A Union Meeting and smoker were held Wednesday evening, May 5th at the gymnasium. This was the first "smoker" of the baseball and track season and was well attended. President Day presided. Dr. Thomas gave a sketch of the rise of athletics at Middlebury. Dr. Harrington spoke along the same line, and Coach Murch of the baseball squad and track coach Jones also gave interesting talks on their respective branches of athletics. Songs and cheers were given in conclusion.

To-day's Game.

Middlebury swamped St. Anselm's this afternoon, the score being 8-2.

MIDDLEBURY COLLEGE

ESTABLISHED IN 1800

A BIRD'S-EYE VIEW OF THE CAMPUS AND BUILDINGS

The College is now prepared to furnish to alumni and students a beautiful photogravure of the campus and buildings, from a drawing by Mr. J. M. Meeker. The size is 10x20 1-2. The paper is Dutch hand-made plate, of weight sufficient to be framed unmounted. All of the newer buildings of the college are shown, including the Mead Memorial Chapel The picture is pronounced equal to any college bird's-eye view in impressiveness and beauty.

It is suggested that alumni may not only desire copies for themselves, but also for presentation to some high school.

Play Tie Game.

Middlebury Second Team and the Spaulding High School team of Barre met at Porter Field on Friday morning in a rather loose game in which both teams tallied 10 runs.

Parker started the game for Midd. Seconds, but was retired from the box at the end of the first inning, the visitors having scored six runs, partly as a result of very poor fielding on Middlebury's part. Parker replaced Myrick at second, and Crippen went into the box, the changes strengthening Middlebury's team a great deal. Although starting with a handicap, at the end of the 7th Middlebury had a lead of three runs, the score standing 9-3. In the 8th and 9th, however, Spaulding High tallied four runs and held Midd. to one additional run, the score standing 10-10 at the end of the ninth. Geals pitched well for the Spaulding and Crippen held the Spaulding batters in fine shape for Middlebury. Christian and Heath also played well for Middlebury.

ALBANY LAW SCHOOL

The course of study leading to the degree of L. L. B. extends over a period of three years. Students who have pursued one or two years in a law office may enter the second year class as a candidate for a diploma but not a degree.

The high standard of the school and the facilities which the city affords with its legislature, libraries and courts, offer unequalled opportunity for a thorough and practical training.
